# Haiti One Year On Benchmarks & Expectations

## Panel Discussion & Reception

*A panel discussion on where relief efforts were expected to be, where they currently stand, and prospects for the immediate and long-term future. The panel, representing various areas of the recovery effort including peacekeeping, environment, and health, will reflect on the experiences/challenges of the past year and how to utilize the knowledge gained moving forward.*

**April 11th ~ Room 1501 ~ 7pm**

Moderated by Professor **Elisabeth Lindenmayer**

**Shonta D. Collins**

Founder/President  
*Explorers Sans Frontieres*

**Alex Fischer**
